PART OF FIVE  GROUP

Welcome to SCHLOSS Fleesensee.

Historic charm. Modern luxury. Natural diversity.

Located in the heart of the Mecklenburg Lake District, SCHLOSS Fleesensee is a unique retreat that impressively combines history, nature, and contemporary luxury. The listed rooms of SCHLOSS Fleesensee exude a great charm simply through their size and historic building details. The venerable Baroque shell from 1842 has been preserved and transformed to the present through an extravagant and opulent interior design concept. Today, the luxurious hotel boasts 175 stylishly furnished rooms and suites.

The SCHLOSS offers culinary delights in two first-class restaurants, which primarily use products from the Fleesensee Agriculture. Seasonal fruits and vegetables, as well as fresh herbs, are cultivated here on over 3,000 square meters. German Black Angus cattle provide high-quality meat, while South American Araucana chickens lay fresh, green eggs daily. A 10,000 square meter vineyard complements the sustainable concept.

The hotel's two central pillars – SCHLOSS Golf and SCHLOSS Spa – offer guests first-class experiences. The hotel's own 18-hole golf course, designed by Stan Eby, is one of the most beautiful in Germany and, with its challenging conditions, offers an ideal playing experience for ambitious golfers. The extensive SCHLOSS Spa invites you to relax with indoor and outdoor saunas, a heated 25-meter outdoor pool, a MicroSalt room, and a wide range of beauty and massage treatments.

For business events, the SCHLOSS offers a spacious conference area with a total of 12 air-conditioned banquet and meeting rooms covering over 1,300 square meters. The highlight is the multifunctional, car-accessible event location „Die Tenne“ (The Tenne), which offers 500 square meters of space and can accommodate up to 500 people. All rooms feature natural light and state-of-the-art technology, complemented by spacious foyers and outdoor areas for receptions or coffee breaks. The experienced event team is available for customized planning and implementation.

Whether as a retreat for those seeking relaxation, a destination for active vacationers, or a venue for exclusive events – SCHLOSS Fleesensee combines first-class service with authentic experiences and sets standards for sustainable luxury in the heart of one of Germany's most beautiful natural regions.
